# Guru's Five Natural Elements

Guru's Dominant Element are Water and Earth

Children with a dominant water element are sensitive, empathetic, and intuitive. They have a strong emotional depth and are often in tune with their surroundings. They excel in creative and imaginative play but may struggle with self-confidence or setting boundaries.

## Impacts on Personality

**Strength :** Emotional intelligence, empathy, creativity, adaptability

**Challenges :** Over-sensitivity, shyness, difficulty with assertiveness, prone to anxiety

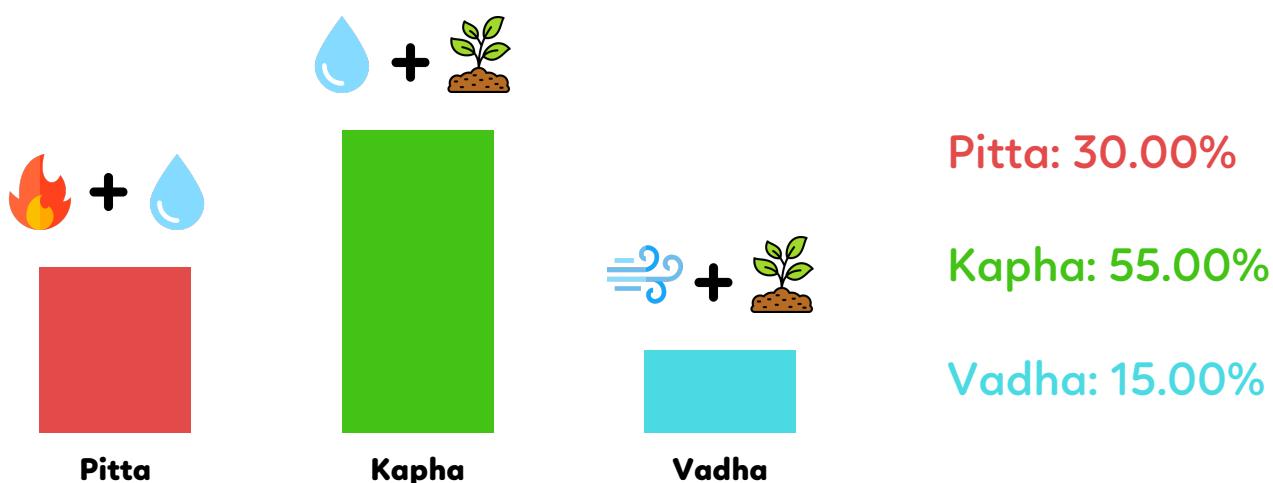

## Parenting Tips to Balance Water Element

**Confidence-Building Activities :** Encourage activities that foster self-assurance and resilience, such as role-playing games or taking part in group activities where they can express themselves. This helps build emotional strength and assertiveness.

# Guru's Ayurvedic Body Type

## Guru's Body is Dominated by Kapha Nature

Children with a dominant Kapha dosha are gentle, calm, and nurturing. They are patient, loving, and enjoy stability and routine. However, they can also be prone to lethargy, stubbornness, and weight gain if not properly stimulated.

## Impacts on Body Type, Emotions, and Health

**Body Type :** Stocky or solid build, smooth and soft skin, tends to gain weight easily.

**Emotions :** Calm and affectionate, but may be prone to laziness or resistance to change.

**Health :** Prone to colds, congestion, and slower digestion, Respiratory Issues.

## Parenting Tips to Balance Water Dosha

**Active Lifestyle & Light Diet :** Incorporate activities that keep them active, such as dancing, hiking, or playing sports, to avoid lethargy and promote energy. Provide a diet with light, warm foods and include spices like ginger and black pepper to stimulate digestion. Limit heavy, oily, and overly sweet foods. Create a routine that introduces variety to keep them engaged and prevent stagnation.

## Guru's Chakras

### Guru's Dominant Chakra is Third Eye Chakra

A dominant third eye chakra (Ajna) in children supports intuition, imagination, and strong mental clarity. Children with an active third eye chakra are perceptive, creative, and insightful. They often have a vivid imagination and are naturally curious.

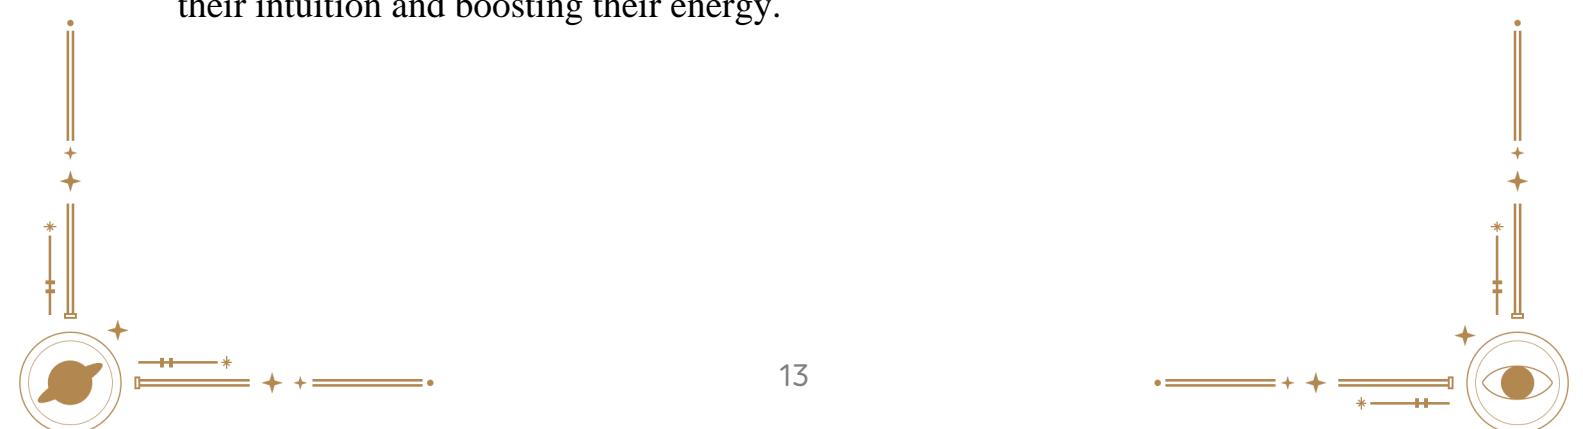

**If imbalanced, they may struggle with focus, have vivid dreams that cause fear, or become overly analytical.**

## Third Eye Chakra

### Parenting Tips to Increase Guru's Aura and Energy Level

**Mindfulness and Visualization Activities :** Encourage activities that promote inner focus and imagination, such as guided meditation, quiet time with books, or visualizing positive outcomes. Foster opportunities for them to express their thoughts and ask questions. This nurtures the third eye chakra, enhancing their intuition and boosting their energy.

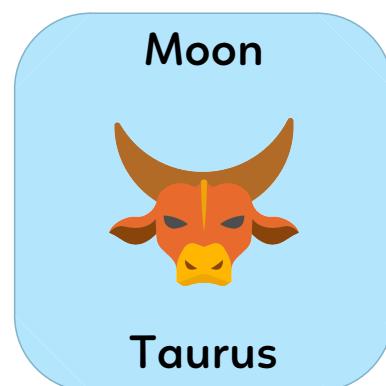

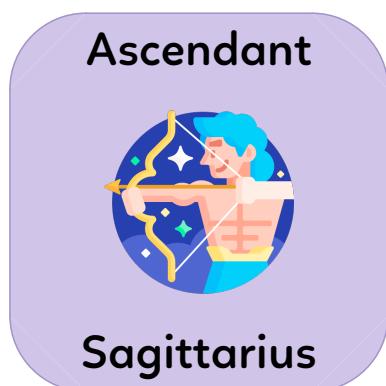

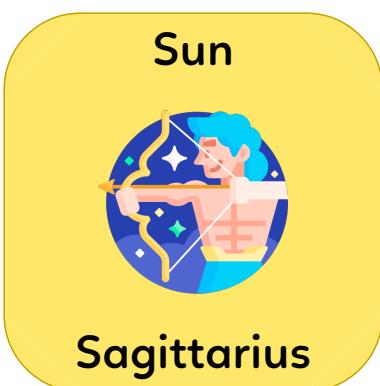

# Guru's True Self
